Karyn's day ends at 2pm EDT on Thursday. But as long as she and I have had a chance to talk beforehand, I think we can proceed at 4p EDT. And it's possible she may be able to join.

Sounds good. Wed looks bad all around here; Laurie is out of office too. How about Thursday at 1 PM PST (4 EST?)

Hi Rich- Karyn is out sick today. Do you think we can talk tomorrow? We may also have more information from Army by then.
